BOUSCAUT ROUGE 2020

Terre de Vins

93 Bouscaut progresse encore. Les vins sont plus charnus tout en conservant l'élégance. Nez de cassis, fruits compotés. Une extraction très maîtrisée qui donne une matière ronde, gourmande et enveloppante, sur des tanins soyeux tout en conservant la finesse. « Grand fruit ! » dira un membre du jury

91-92 Round-tannined sample with plushness and softness and plenty of blueberry and blackberry character. Some pine needle and hints of fresh herbs.

92-94 Deep dark ruby, opaque core, purple reflections, bright rim. Delicate chocolaty background of black wild berries, ripe cherries with hints of noble wood. Good complexity, ripe plums, vivid tannins, pleasant acid structure, salty-mineral finish. Good ageing potential.

92 Dark purple colour with violet hue and black core. aromatic nose with ripe berries and discreet spices, elegant character, slightly closed. On the palate firm yet ripe tannins, very good legth, juicy fruits, and fresh character in the aftertaste.

16+ Deep, lustrous dark purple. A touch of leafiness on the nose. Definite freshness on the pretty energetic palate and no trace of alcoholic heat. Pretty firm but not uncomfortable tannins. An ambitious wine that's notably drier than the two Graves just tasted. Lots of drive but you'll always need food with this one. I just hope the fruit can keep pace with the tannin.

Decanter

93 Plenty of depth and impressive black fruit aromatics. Silky in texture, with fruits that are concentrated and almost dried, some clear fig and almost raisin notes alongside black pepper spice and a nice twist of lime tang on the finish. Clear personality, but lacks some juice through the palate. There is a good sense of pep on the finish though, and it's clear that the Malbec is playing an oversized role in the blend. 40% new oak. LE FIGARO

92-94 Très joli nez qui associe les fruits rouges et noirs à un boisé très élégant. C'est rond et chaleureux, avec une matière confortable. On sent la puissance, la fraîcheur, et du fruit ! Tout ce que l'on attend d'un Pessac-Léognan, avec des tannins fondus et une finale tout en fraîcheur.

90-92 A blend of 61% Merlot, 33% Cabernet Sauvignon and 6% Malbec, the 2020 Bouscaut has a deep, purple-black color and notes of warm cassis, stewed black plums and black sherry spices, followed bay hints of tar, licorices and indian spices. The medium to full bodied palate is filled with juicy black fruits and ripe, rounded tannins, backed up by a lively blackbone, finishing long and spicy.

TASTED

91 VERY GOOD Some caramel and toast with black currant and ripe plum notes. Rather dense palate with youthful but ripe tannin, discreet wood in the background, medium weight with youthful dense fruit and good length with some toasted flavours.

90 - 92 Une texture fine, une pointe de douceur dans la chair merlotée (63 % de l'assemblage) et une bonne fraîcheur qui irrigue l'ensemble. Ce 2020 ... est un vrai bordeaux, fin et délié.
